30 Day Post-General Report (10/19/06-11/27/06)

In response to the FEC letter dated January 26, 2007:

1.) Ms. Ann Tenenbaum's contribution was received after the 2006 election. It has now been properly recorded and applied toward the 2008 primary.

2.) It has been confirmed that the following are duplicate 48-hour notices:

Brent D. Baird, 10/25/06, \$1000

Paul Koessler, 10/25/06, \$1000

Laborers' Political League, 10/25/06, \$1000

3.) Best Effort Practices and Procedures:

In the first solicitation to a donor/potential donor it is stated in a clear and conspicuous manner the need for contributor information, "Best Effort", i.e., name, address, employer, etc., as per federal law requirements.

Secondly, if the information is not obtained, then a follow up letter and email (if on file) is sent out. This follow up is sent in good faith whereby it is clearly stated that the nature of the solicitation is for missing information and not for a financial contribution. It is again clearly stated that this request is made as per federal law requirements. A pre-addressed stamped envelope is also included in this letter.

Finally, if contributor information is received after the contribution was reported, it is the general practice that an amended Schedule A will be filed at the time of the next report.
